

AGENDA

I INNOPHARMA WORKSHOP. Open Innovation in Early Drug Discovery

Centro de Estudios Avanzados. Santiago de Compostela

22-23 September 2014

MISSION: To introduce INNOPHARMA in the joint public-private international scientific community and to discuss together its complementarity in an open innovation scenario of drug discovery.

AIM: To help to identify the most appropriate model of complementary for partnership opportunities to be successful in an open innovation scenario next year.

DAY 1. Monday, September 22nd 2014

13:00	Lunch
14:15	Welcome Manuel Varela (Director of Galician Innovation Agency –GAIN)
14:30	Introduction to INNOPHARMA initiative. Workshop guide. Mabel Loza y Ángel Carracedo
15:00 – 16:30	Work session 1: NEUROLOGICAL AND RARE DISEASES Introduction to therapeutic area INNOPHARMA pipeline: José Brea. Chairs: Javier Fernández (Johnson & Johnson) and José Miguel Vela (Esteve). Projects presentation Project nº 1: José Castillo (IDIS). Project nº 2: Luis Pérez-Jurado (UPF). Discussion/Debate. Groups with external experts <u>(by alphabetical order)</u> : Private Sector. Terri Brancheke (Sub Arbore Consulting), Julio Castro (Palobiofarma), Javier García (SILO), Peter Simpson (AZ). Public Sector. Ignacio Baanante (ISCIII), Valentín Ceña (UCLM), Graeme Milligan (UOG), Francesc Palau (CIPF-CIBERER), David Pardoe (MRCT).
16:30 – 17:00	Break
17:00 – 18:30	Work session 2: METABOLISM AND INFLAMMATION Introduction to therapeutic area INNOPHARMA pipeline: Eduardo Domínguez. Chairs: Jordi Beleta (Almirall) and Manel Merlos (Esteve). Projects presentation Project nº 1: Beatriz Caramés (INIBIC). Project nº 2: Enrique Sáez (TSRI). Discussion/Debate. Groups with external experts <u>(by alphabetical order)</u> : Private Sector. Joan Ballesteros (Vivia), Danuta Mossakowska (GSK), Kristof van Emelen (J&J), Jean Louis Vidaluc (Pierre Fabré). Public Sector. Francisco Blanco (INIBIC), Carlos Diéguez (USC), Juan Gómez-Reino (CHUS), Udo Oppermann (SGC).
19:00	Visit to INNOPHARMA platform facilities Welcome. Carlos Diéguez (Director of CIMUS Research Center) Carlos Salgado (Vice-rector for Exterior Relationships and Internationalization)
19:00	Networking Drinks in connexion with the visit by groups.
21:00	Dinner

DAY 2. Tuesday, September 23rd 2014

Work session 3: CANCER	
9:00 – 10:30	Introduction to therapeutic area INNOPHARMA pipeline: Eva Méndez. Chairs: José Luis Díaz (Almirall) and M^a José Lallena (Eli Lilly). Projects presentation Project nº 1: Manel Esteller (IDIBELL). Project nº 2: Isabel Mérida (CNB-CSIC). Project nº 3: Francisco Real (CNIO). Discussion/Debate. Groups with external experts <u>(by alphabetical order)</u>: Private sector. Margaret Beer (Medius Associates), Carlos Buesa (Oryzon), Marisol Quintero (Bioncotech). Public Sector. Alfredo Carrato (HRyC), Rafael López (IDIS), Hamish Ryder (CRT).
10:30 – 11:00	Break
Work session 4: OPENLAB	
11:00 – 13:00	Introduction to therapeutic area INNOPHARMA pipeline: Amparo Pérez. Chairs: Emilio Díez (GlaxoSmithKline) and José M^a Palacios (former research director of various pharmaceutical companies). Projects presentation Project nº 1: Miguel Abal (IDIS). Project nº 2: Marián Castro (USC). Project nº 3: José Antonio Enríquez (CNIC). Project nº 4: Angélica Figueroa (INIBIC). Discussion/Debate Groups with external experts <u>(by alphabetical order)</u>: Private sector. Maribel Crespo (Almirall), Christopher Flores (J&J), Ángela Roca (Plasmia), Amelia Martín (Farmaindustria). Public Sector. Fernando de Andrés (AEMPS), Ronald Frank (EU-Openscreen), Jordi Quintana (PCB), Gerardo Turcati (EPFL), Angus Morrison (ESC, Dundee).
14:00	Lunch
15:15	Review of discussions of each Work Session
Official Closing	
17:00	Juan Viaño Rey. Rector of the University of Santiago de Compostela. Francisco Conde. Ministry of Economy and Industry of the Galician Government. M^a Luisa Poncela. General Secretary for Science, Technology and Innovation of the Spanish Ministry of Economy and Competitiveness – Spanish Government (MINECO). Isabel García. ASEBIO Amelia Martín. Farmaindustria.
19:00	Guided tour of Cathedral roofs

Note: spaces for face-to-face meetings will be available during the workshop. Please contact the organizers for meeting set-up: info@innopharmaplatform.com
